

## Global Coordinator Program

Office of International Affairs

### What ?

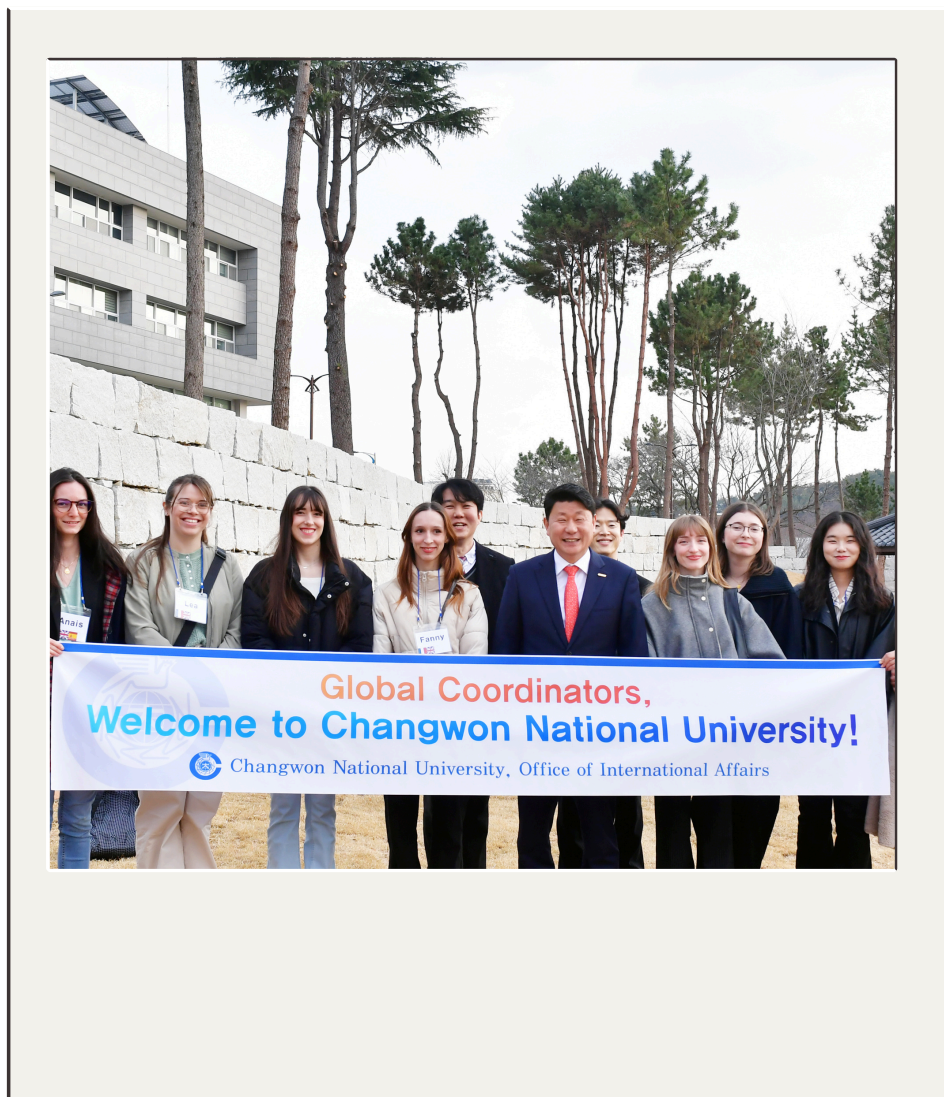

The Global Coordinator Program is a newly launched initiative starting from the Spring semester of 2025. It combines a student exchange program with an internship experience.

### Why ?

As Changwon National University was selected as a "Glocal University", this program was introduced by the International Affairs Office to strengthen global cooperation and engagement.

### Who ?

Master's degree students from overseas partner universities that have signed exchange agreements with CWNU. Students take regular courses and also serve as interns at the Office of International Affairs.

### ➤ Program Benefits

- Take academic courses
- Gain hands-on work experience
- Monthly living stipend of KRW 650,000
