

**List of conversion factors and grading scale in relation to the assessment of candidates for the  
Doctoral School of Adam Mickiewicz University**

**Discipline: History  
Recruitment year: 2021**

**Points for the grade awarded to the diploma of master's studies (max. 10 points):**

Very good – 10 points

Good plus – 8 points

Good – 6 points

Satisfactory plus – 4 points

Satisfactory – 2 points

**Points for 3 documented scientific achievements (0-15 points, maximum for 3 achievements):**

- authorship or co-authorship of a book (monograph or source edition of more than 6 sheets) - 7/5 points
- authorship or co-authorship of an article in journals included in ministerial lists A, B and C - 5 points
- authorship or co-authorship of an article in journals and periodicals outside these lists – 3 points
- authorship or co-authorship of a chapter in a collective monograph or book, compact publication below 6 sheets - 3 points
- authorship or co-authorship of an article, a source edition or an entry on a website - 2 points
- editing or co-editing a collective monograph - 2 points
- documented presentation of a paper at an international conference - 2 points
- documented presentation of a paper at a national conference - 1 point

Should the candidate present a greater number of achievements, the Chair of the Selection Panel will award points for the 3 highest-scoring achievements (if candidates do not provide additional documentation confirming these achievements). In the event that the sum of the 3 highest scoring achievements exceeds the maximum number for this element of the assessment, the maximum possible score will be awarded.

Documented publications accepted for publication are also taken into account. Publications in preparation, given without any confirmation of acceptance for publication, will not be taken into account.

**Points for the remaining 3 documented achievements in the candidate's activity (max. 5 points total for all achievements):**

- international scholarship or award – 4 points
- national scholarship or award – 2 points
- university or regional scholarship or award – 1 point
- documented participation in the team of contractors of NCN, NPRH and other grants – 2 points
- documented participation in the organisation of an international conference – 2 points
- documented participation in the organisation of a national conference – 1 point

- documented participation in the organisation of an exhibition – 1 point
- documented work in student scientific association – 1 point
- documented work in student government – 1 point
- documented participation in scientific and organisational projects of the University (or its units), as well as participation in undertakings of social organisations – 1 point
- documented cooperation with academic or other institutions (e.g. archives, libraries) – 1 point
- documented membership in scientific associations – 1 point
- pursuing a second major – 1 point
- internships or long-term stays abroad or at home during studies – 1 point
- sporting or artistic achievement – 1 point
- participation in voluntary work – 1 point
- documented participation in a language course – 1 point

If a candidate presents more than one achievement, the Chair of the Selection Panel will award points for the 3 highest-scoring achievements. In the event that the sum of the 3 highest scoring achievements exceeds the maximum number for this element of the assessment, the maximum score will be awarded.

**Points awarded for the interview (max. 50 points):**

- candidate's knowledge and competencies relevant to the planned research and appropriate for the chosen scientific discipline (0-35 points):  
 unsatisfactory – 0 points  
 satisfactory – 1-10 points  
 satisfactory plus – 11-15 points  
 good – 16-20 points  
 good plus – 21-30 points  
 very good – 31-35 points
- elements of research methodology appropriate to the chosen discipline (0-15 points):  
 unsatisfactory – 0 points  
 satisfactory – 1-3 points  
 satisfactory plus – 4-6 points  
 good – 7-9 points  
 good plus – 10-12 points  
 very good – 13-15 points

**Points for research project (maximum 20 points)**

- ability to formulate the research objective and outline the research problem (0-9)
- research idea and ability to propose a solution (0-3)
- methodology proper for the chosen discipline (0-4)
- knowledge of the state of research with a basic bibliography (0-4)
