# UNIVERSITY SYSTEMS

During the course of your studies, you will use several systems, that will improve the flow of information and communication. Also, registration for subjects and to groups is done using information systems IT systems.

## **USOSweb**

It is an application paired with the University's Student Support System. There you can view your class schedules, grades and credits. You will also check your payment settlement. Through this application you register for classes and recruit for the ERASMUS program. The data for the first login is the data from the account Recruitment.

## **MAILBOX**

Each UAM student is given access to their own student mailbox. To check email address, you must first log in to the USOS system. Check how to log in to [student mail and o365](#),

## **o365**

You also get access to o365, a system of Microsoft located in the cloud. An important tool has become the Teams application, which is available in the o365 package. It allows you to conduct group conversation, coordinate group work, as well as organizing video conferences and video chats,

## **Intranet**

On the intranet you will get access to the most important University news, support both technical as well as didactic support. This is the site to which you should log in, following the procedures described on the [site](#).

## **Eduroam**

Eduroam is an online network that operates mainly in faculties and libraries as well as in dormitories affiliated with the University. For smartphone users, the process of connecting with the network is very simple. All you have to do is enter the list of Wi-Fi networks, select the network named "eduroam", and then log in by entering your login, i.e. your email address: nazwa\_konta@st.amu.edu.pl in the case of a student, and the password for the account.

# TAKE CARE OF YOURSELF

The first year of college is a special time. Intense and full of emotions. Your body will be exposed to many tests. Stay in good health. We suggest how to do this with the help of with the support of UAM.

## UNIMEDYK Clinic

UAM students can use the University's UNIMEDYK medical and dental clinic. The clinic admits students free of charge as part of the outpatient clinic:

- primary care physician;
- dentist.

The clinic is located at 6 Grunwaldzka Street in Poznań. Remember that you will become a patient of the clinic after submitting a declaration of choice of doctor.

# SPORT

The University of Adam Mickiewicz University's Department of Physical Education and Sports offers a wide range of disciplines. Trainings are held in a modern sports complex under the supervision of qualified coaching staff. Numerous sports sections are thriving. Students have the opportunity to develop their sports skills sports in such disciplines as futsal, fencing, soccer, volleyball, swimming, aerobics, disciplines for students with disabilities, alpine skiing and snowboarding, rowing, judo, squash, karate, yoga, power triathlon, etc.

# PEOPLE WITH DISABILITIES

Adam Mickiewicz University, Poznan is one of the first universities in Poland to implement the strategy of University Accessible for All, including people with disabilities. To meet the needs of this group, we offer assistance of Support Office for Persons with Disabilities, for more information see: [amu.edu.pl/en/education/support-office-for-persons-with-disabilities](http://amu.edu.pl/en/education/support-office-for-persons-with-disabilities)

# SET YOUR SIGHTS ON DEVELOPMENT

## **Study circles**

Students pursue their passions and share experiences, acting in departmental scientific circles scientific societies, of which there are already more than 160.

## **Grants**

Already in the first year You can implement your science project. Thanks to status of the university research university has increased also students' access to grant teams. Ask at the department!

## **UAM Career Office**

Take advantage of the offer of the Office of Career Bureau: gain experience, develop your skills, improve competencies, plan your career path career. You will get support career counselors, find job offers, internships, internships.

## **Student's Government**

Important for development is Establishing relationships and gaining experience in social activities. Activities in local government and other organizations student organizations is your opportunity!

**GOOD LUCK !**

**Marketing Center of  
Adam Mickiewicz  
University in Poznań**
