HFUT Exchange Student Program Factsheet (2026 Spring Intake)

HFUT

* I About HFUT

Hefei University of Technology (HFUT), located in Hefei, the capital city of Anhui Province, is a national key university directly under the Ministry of Education of China. Founded in 1945, HFUT has a long history of providing high-quality education and conducting cutting-edge research in various fields. HFUT is one of the universities of Project 211 and Program 985 innovation platform in China, and also one of the universities included in the list of “Double First Class” plan, the country’s construction plan of world-class universities and first-class disciplines.

* II Program Introduction

HFUT has established cooperation relations with more than 120 overseas universities. In order to further strengthen international exchanges and cooperation, HFUT provides Exchange Student Program for international students in accordance with the student exchange agreements signed between HFUT and overseas universities (home university). Exchange students can choose to attend major courses to get credits, or conduct lab research work under the guidance of professors at HFUT.
