

2025 Winter COIL

(Collaborative Online International Learning)

2025 Winter COIL Program at AJOU

 Theme: Sustainability

 Course Title: Korean Culture Workshop (1 Credit)

Join us this winter for an engaging online course led by professors from:

- Karlsruhe University of Applied Sciences (Germany)
- University of Bordeaux (France)
- Ajou University (South Korea)

 Program Period: January 2 – January 10, 2025

 Format: Online Collaborative Learning

Explore sustainability through diverse international perspectives while exchanging ideas with peers from around the world. Participate in interactive workshops and gain valuable insights into global challenges and solutions.
