

Scientific discipline:**Law**

DIPLOMA GRADE	
In this category the candidate may receive maximum 3 points In the absence of a diploma grade, the average grade from the course of study is taken into account.	
"very good" or equivalent grade	3 points
"good plus" or equivalent grade	2 points
"good" or equivalent grade	1 point
applicants seeking admission on the basis of the highest quality scientific achievements (e.g. leading a project under the "Pearls of Science" programme)	3 points

SCIENTIFIC ACHIEVEMENTS⁸		
The candidate shall indicate a maximum of 3 documented scientific achievements for evaluation. They may receive no more than 22 points in total.		
Scientific publications (articles, commentaries, or case notes/comments in a scientific journal from the point-rated journal list)^{9, 10}:		
N.1	Publication in a journal with up to 20 points	3 points
N.2	Publication in a journal with more than 20 points but no more than 40 points	5 points
N.3	Publication in a journal with 70 points or more	10 points
N.4	Other scientific publications: a chapter in a multi-author, peer-reviewed scientific monograph	2 points
N.5	Other scientific publication (in print or published on a journal's website, when it constitutes the original version of the journal) with a volume of at least 0.5 publishing sheets, subject to academic review by a staff member with at least a PhD	2 points

⁸ The Commission adopts the following descending hierarchy of achievement importance: "Diamond Grant" / "Pearls of Science", Minister's scholarship, Scientific publication (article, commentary, glossary) in a scientific journal from the list of designated journals, Grant funded by NCN, NCBR, NPRH, FNP, NAWA, Other research projects, Rector's scholarship, Dean's scholarship, and other scientific scholarships, Other scientific publications, such as chapters in multi-author peer-reviewed scientific monographs, Other scientific publications in the field of law or administrative sciences (published in print or on the website of a scientific journal, if it is the original version of the journal), provided it has a minimum of 0.5 pages and has undergone a publishing review by a scientific staff member with at least a PhD degree, Multi-author peer-reviewed scientific monograph, in compliance with the parameterization requirements for scientific monograph units

⁹ According to the announcement of the Minister of Higher Education and Science on the list of scientific journals and peer-reviewed materials of international conferences, in the version in effect on the date of publication.

¹⁰ The score for publications shall be divided in the event that studies in co-authorship are submitted for evaluation, according to the percentage of the candidate specified therein, and in the absence thereof, according to the number of co-authors.

Editor of scientific papers¹¹:		
N.6	Editor of a multi-author, peer-reviewed scientific monograph, in line with the parameterization requirements for scientific units	2 points
N.7	Editor of student scientific journals (editor-in-chief)	1 point
Activities in research projects successfully resolved in the competition:		
N.8	Leader of a Scientific Project awarded by the Minister of Higher Education and Science (e.g., Pearls of Science) or previous grants awarded by the Minister responsible for higher education (e.g., Diamond Grant)	10 points
N.9	Participation in grants funded by NCN [National Science Centre], NCBiR [National Centre for Research and Development], NPRH [National Programme for the Development of Humanities], FNP [Polish Science Foundation], NAWA [National Agency for Academic Exchange]	5 points
N.10	Participation in projects like Study@Research, BESTStudentGRANT, ADVANCEDBestStudentGRANT	2 points
N.11	Participation in other research projects (e.g., IAS-Student Research Internships)	2 points
Participation in conferences¹²:		
N.12	Foreign conference with a paper	4 points
N.13	International conference held in Poland, with a paper	2 points
N.14	National conference with a paper	1 point
Scientific scholarships:		
N.15	Ministerial Scholarship (Minister of Science and Higher Education or the minister responsible for higher education)	5 points
N.16	Rector's Scholarship	3 points
N.17	Dean's Scholarship	2 points
N.18	Other Scientific Scholarships (including those from the City of Poznań)	1 point

¹¹ The score for editing is divided in the case of co-editing a scientific paper, according to the number of co-editors

¹² The points for the conference are divided in case of co-authorship, according to the number of people who co-authored the speech.

OTHER ACTIVITIES OF THE CANDIDATE ¹³		
The candidate shall indicate a maximum of 3 documented achievements for evaluation. They may receive no more than 5 points in total.		
I.1	Proficiency in a foreign language at a level higher than B2	2 points
Work in a science club ¹⁴		
I.2	a) Holding the position of President or Vice President of the club	2 points
I.3	b) Other roles and activities within the science club	1 point
I.4	Completion of a semester of study under the Erasmus, Erasmus+, or Erasmus Mundus program, or a bilateral agreement between AMU in Poznań and a foreign partner, regardless of the number of semesters	3 points
I.5	Participation in a legal clinic (law clinic), regardless of the number of clinics	2 points
Laureate (1st-3rd places) in legal sciences competitions:		
I.6	a) international	4 points
I.7	b) national	2 points
I.8	Finalist in legal sciences competitions	1 point
I.9	Social activities, collaboration with the business community, internships, apprenticeships, popularization of science, activities for the university, sports achievements within the university's representation (regardless of the number)	1 point
I.10	Completion of another course of study, postgraduate studies, in-service courses, or other forms of further training (regardless of the number)	1 point

RESEARCH PROJECT	
The candidate may receive a maximum of 20 points	
Ability to formulate the research objective and present the research problem	0 – 9 points
Originality of the research idea and selection of appropriate problem-solving methods	0 – 5 points

¹³ The Commission adopts the following descending hierarchy of achievement importance: Finalist in competitions in legal sciences, Completion of a semester of study under the Erasmus, Erasmus+, or Erasmus Mundus program, or a bilateral agreement between AMU in Poznań and a foreign partner, Proficiency in a foreign language at a level higher than B2, Participation in a legal clinic, Completion of additional studies, postgraduate studies, in-service training courses, or other forms of further education, Social activity, cooperation with the business environment, internships, apprenticeships, activities promoting science, university-related activities, and sports achievements.

¹⁴ Activities confirmed by the supervisor of the scientific circle with at least a doctoral degree, depending on the extent of participation and regardless of the number of circles (as well as in student and alumni organizations)

Methodology appropriate to the chosen discipline	0 – 3 points
Knowledge of existing research, supported by a basic bibliography	0 – 1 points
Significance of the project for the development of the chosen discipline	0 – 1 points
Risk analysis of research tasks	0 – 1 points

INTERVIEW	
<p>The interview may last up to 30 minutes</p> <p>The candidate may receive a maximum of 50 points</p>	
Knowledge and competencies appropriate to the chosen discipline	0 – 35 points
Elements of research methodology appropriate to the chosen discipline	0 – 15 points
